BIORHYTHM CHARACTER ANALYSIS AND COMPATIBILITY is used in this newsletter. The news media says what happened, THE TRUTH tells why. Each day has its own set of biorhythm numbers. They tell our true character just as astrology does. This is much easier. To do a chart that shows the ups, downs & critical days, another set of numbers would need to be added to the personal numbers. The personal numbers tell what we are like in our hearts.

VIRGO: Can meet eligibles thru work. Styles of work, type of work, places of work all issues but luck goes with you. You can be conned by some "needy" sort who has a comfortable bank roll & wants more - YOURS! Stand warned. Get out of the rut job-wise, but major decision on where to go, what to do best decided within first 5 months.

Lucille was making a movie in New York. She collapsed on 5-1-85. She was playing the part of a bag lady & was wearing a lot of clothing. She said she was alright & was sent to her hotel to rest. She refused to go to a hospital. On that day she was having a physical critical.

On June 17th she no sooner got off the plane to Los Angeles & she collapsed again. This time she was having a physical critical, was 1 day away from an emotional critical & 2 days away from a mental critical. This time she went to the hospital for tests.

It had been said her capacity for work has been termed "astounding" "almost masochistic." That would describe Lucy. She has a lot of stamina (83% physical). She is a martyr (39% mental) & is attracted to trouble. She loves to say & do things to shock. She is a child type who will solve problems the way a child would (#16 emotional). She will do anything to get attention. She has a lot of confidence

(83%) & is not afraid to "rush in where angels fear to tread." She wants to continue like she did when she was young but she can't do that anymore. She needs to have a biorhythm chart done for her & to pay attention to her critical days.

MATCHMAKING

This customer used her Do-It-Yourself Biorhythm Compatibilities to do some match making. She wrote "I introduced a new acquaintance to my mechanic on Feb. 16, 1985. They were married on March 23rd. This playing cupid is fun!" S.C. California

They knew each other a little over a month & knew it was right. They are overall 78% compatible. 60% & up is good. You too can do this for others & for yourself. See order form on page 3.

SCAREY WOMAN

As soon as I met this woman I felt frightened.

She is 71 years old. She will do anything to get attention & to get what she wants. She is extremely self-centered. She is hard & has no conscience. She does not care whom she hurts but will go after them to get attention & will try to destroy them if they reject her. This woman is very frightening.

TIDBITS

President Reagan had an operation on a cancerous growth in his colon. President Carter had hemorrhoids. Seems they are both telling us the job of President is a pain in the ass.

Many get hemorrhoids by sitting & reading while on the toilet. They strain & stop because they want to read more & before they know it they have created hemorrhoids (piles). The moral of this story is NEVER read while sitting on the pot. The toilet should be used for eliminating not for improving the mind.

Actress Susan Hayward (born 6-30-17) was considered cold. After playing a scene she would go off alone & did not have the contacts with the other actors that bring them close.

All her families efforts were behind her sister Florence. That made Susan feel unloved. She never forgave her sister for that. The sister had nothing to do with this but Susan was a natural child type who would solve problems the way a child would. When her ego got hurt, she could hate hard, be the hurt real or imagined.

Susan had a STAR personality but her confidence was a little low for that. That made her bully. She had to be in control (100%). Her coldness was to get the attention on herself. Her sister Florence would not have been able to understand why Susan hated her so. It was childish. That is how child types can behave.

Susan ate herself up with her hatred & died of brain cancer on

3-14-75 when she was 57.

Muhammad Ali (born 1-17-42) & his wife are divorcing & doing it in a nice, not nasty way. She said she did not like him at first because she was going by the loud mouth image he portrayed to promote his boxing career. She found him to be shy (30% confidence). She said there were a lot of little things that broke up their marriage. One example she gave was he did not want her to wear leotards in a commercial. he said it embarrassed him & a Muslim would not do that. She

could not embrace the Muslim religion. She was raised a Catholic. He would get embarrassed because he lacks confidence. He is also a womanizer because he wants to prove he is a "real man." His lack of confidence makes him do this.

Budget Director David Stockman (born 11-10-46) has quit. Stockman has publically criticized President Reagans economic policies. It might have been wisest to disagree with the President privately but Stockman did not want to do that because he has to be a STAR and to have the attention on himself. It is my feeling he has quit because he was forced to do it. No STAR type would go into an obscure job unless they were forced into it.

The "new wave of patriotism" is happening because we have a President who is a natural parent type. They are the flag waver types.

MARRIAGE HAS LASTED 34 YEARS Question asked: "How did our marriage last 34 years?" H. M., New Jersey

	Physical	Emotional	Mental
Female	18 (57%)	25 (79%)	32 (94%)
Male	21 (83%)	6 (57%)	19 (15%)
Compatibility	3 (74%)	19 (36%)	13 (21%)

What got them together in the first place was a physical attraction (74%). Male is a martyr (15% mental). He is attracted to dominant people. He is very stubborn & would not want to admit when he has had an error in judgement & could hang on longer than the average. He could have said to himself "I'm going to make this work if it kills me," & it could. He is a natural parent type (#6 emotional) & would be likely to hold his family together even tho he is not happy.

Female is a strong woman (all high percentages). She needs to lead or control (94% mental) & could be so happy controlling that she might not notice how Male is squirming under her control.

Chances are they don't tell their troubles to one another or do much talking together (21% mental). Early in the marriage they would have tried & there would have been a lot of "You're not listening to me."

What holds this together is a physical attraction, the stubbornness of the husband to keep the family together & the wife being happy having someone to control.

Chances are they both have friends or relatives who can give them the love they need to keep them healthy & happy. Husband with his stubborn low mental (not his intelligence) is the one most likely to get some devastating dis-ease (not at ease) because of the lack of love (36% emotionally compatible. (See THE TRUTH, July 23, '85 for Cancer Combinations)

Before marriage get a biorhythm compatibility. See order form, page 3. The word "alimony" literally means "money for food."

DATES THE YOUNG Dear Irene:

"...I feel very resentful about his dating such young women in his life, although I am 26 years younger, I still feel it was wrong that he did that. What is it about him that always made him attracted to the opposite sex even though they were so young (late teens early twenties)? And being so much older he says it didn't bother him at all & he feels he didn't do anything wrong. I feel he must not be that mature of a person to be able to relate to such young women..."

Male born 1931

Confidence	12 (4%)	Personal Biorhythm Numbers
Emotional	6 (57%)	
Mental	23 (39%)	

People who lack confidence feel more comfortable around those who are younger than themselves. The lower the confidence the younger the ones they can relate to. This 53 year old man with his 4% confidence kept his wits about him by keeping away from "jail bait." Male feels threatened by people in his own age range. The young ones make him feel he is being respected. He grew up feeling inferior around those his own age. He can't get over that feeling when with them but he doesn't feel inferior around the young ones. If he forces his attentions on ones who are compatible with him in the physical/confidence she would be one who would feel more comfortable with younger people too. If he attracts one without forcing his attention she will

have a lot of confidence & the 2 of them would not be compatible in this area. She would be too sexy for him. She would spend too much to suit him. He would rather save. She would have too much confidence for him.

Male is a parent type (#6 emotional) & that too makes him attracted to the child type or young people. He wants to parent (father) them. He is a martyr (39% mental) & is attracted to the unusual & to trouble.

You might ask what this female is like that she would be involved with a much older man. She is 28. She has a 100% confidence. She does not feel threatened by anyone. She is not afraid of her peers like male is & she can go beyond & deal with the much older.

Because she has so much confidence he would get to feel inferior in her presence in time & would get to feel she is too old for him & might decide to stick with the much younger.

Some famous men who lack confidence are Robert Conrad (30%), Sly Stallone (13%), Burt Reynolds (13%).

When ordering a character analysis and/or compatibility you may ask one question about the personality or relationship. I will answer if I can.

You can see what anyone is like by getting an indepth biorhythm character analysis or the Learn Biorhythm Character Analysis. See order form on page 3.

PHYSICAL ABUSE COMBINATION Students of biorhythm. Here are some personality combinations. It is important to remember that the upbringing & the outside contacts can make a difference. Not every case would have these combinations.

PHYSICAL ABUSE COMBINATION	PERSONAL BIORHYTHM NUMBERS		
	Confidence/ Physical %	(love) Emotional %	Mental %
Parent			
Child			
Compatibility	low	low	low

With the parent-child physical abuse the child tends to be opposite the parent in all areas. When the parent is feeling down the child is up & that can be irritating so the parent can lash out & hit. The love is lacking & they can't hear one another. These two people are not compatible & are thorns in each others sides. Too bad we can't & mothers are born. Many mothers are with their children & they have no break from them. That could lead to abuse. The mother can also feel abused and if she has no time off she is abused by family & society. She needs time off. Before she hits the child it would be best for her to walk out for awhile & cool off. The baby/child is in more danger with her when she is angry than it would be alone. A father too needs to go off & cool off when angry.

You can help yourself & others by getting the Learn Biorhythm Character Analysis & the Do-It-Yourself Compatibilities. See order form on page 3. Anyone can become a student of biorhythm. It is very easy. You work a simple formula & within minutes you can look up the answer. You do not have to memorize everything. In many cases you can learn to avoid those who are not compatible with you or at least learn how to deal with them better when you know what they are really like.

If you missed the previous Combinations (July 9th - Rapist, Suicide, Alcoholic, Drug) (July 23rd - Cancer, Wife Beating) (Aug. 6th - Sexual Abuse, Office Sexual Abuser) You can order them. Send \$1 each or \$2 for all three.

CHER - STRICT MOTHER Cher says she is a "hard mother" "probably from guilt because I can't be with them all the time." She said her kids might write a "Mommy Dearest" book because "I too hate wire hangers."

	Physical	Emotional	Mental
Mother Cher born 5-20-46	11 (4%)	22 (57%)	9 (46%)
Daughter Chastity Bono 3-4-69	13 (13%)	14 (0%)	1 (94%)
Compatibility	2 (83%)	8 (43%)	8 (51%)

Cher says she loves her kids & she is sure they love her even tho she

If you do not want to receive this newsletter, write **REFUSED** on it and return it to your mailperson. Your name will be taken off the mailing list.

is hard on them.

Cher is a naturally guilty type (4% physical), so is Chastity (13%). Do you think Cher gave her daughter that name because she is not sexy (4%)? Chastity is not either (13%).

Cher is one who would be likely to give her children a lot of freedom (22 emotional). When she says she is strict she might be inconsistent. Being strict one moment & permissive another.

Chastity is a combination child-humanitarian (#14 emotional). She is likely to care only for herself until she matures. Then she might get her attention by for others.

Cher needs to be heard (46% mental). This combined with her lack of confidence (4%) would make her softly bossy. She loves to say & do things to shock. Saying she is a hard mother is surprising & her new mohawk haircut is shocking to some.

Chastity needs to lead or control (94% mental). She will not like being dominated by anyone because she wants the control herself. Cher said she believes by being a strick parent she is teaching self-reliance but the opposite is true.

Chastity has a typical politician type personality. She would be drawn to show business, the medical field or politics. In 1979 she said she wanted to be a psychiatrist. That would give her the attention & the power she needs over others.

Are you compatible with your children? See order form on page 3.

If borrowed money is not returned, a friendship is lost.
